BYOC CAMPS AND CLUBS YOUTH TECH Summit 2026

OCT 16 | **OCT 17**
FRIDAY | **SATURDAY**
11AM - 5PM | **11AM - 6PM**

1 SHEAKLEY WAY, CINCINNATI, OH 45246

WE INVITE YOU to be part of an exciting summit designed to inspire, educate, and prepare youth for careers in technology while igniting a lasting passion for innovation among youth, young adults, and their families.

The summit brings together youth, parents, educators, employers, solution providers, and industry professionals from across Greater Cincinnati to explore artificial intelligence (AI), robotics, cybersecurity, and other emerging technologies through hands-on workshops, interactive demonstrations, and engaging discussions.

New this year, we're expanding to a two-day conference with even more workshops, experiences, and opportunities to learn directly from industry leaders and discover real education and career pathways.

Each day concludes with an after-party celebrating technology achievements, recognizing outstanding youth and BYOC supporters, presenting awards, and bringing the community together over light refreshments.

Whether you're exploring technology for the first time or looking toward a future career, this summit is the perfect place to learn, connect, and be inspired.

WHO SHOULD ATTEND?

- **Youth and Young Adults (Ages 12-25):** This summit is for you if you have an interest in tech, coding, or simply want to learn about technology as a career path.
- **Parents:** This event is for you if you are looking for ways to support your child's interest in technology and want to better understand how to navigate opportunities in the tech industry.

WHY ATTEND?

- **Explore Technology Careers:** Learn about the vast array of career opportunities in the tech industry and how to pursue them.
- Learn about **workforce pathways** to land that desired career.
- **Engage with Industry Leaders:** Meet local businesses, technologists, and educators who are shaping the future of technology.
- **Stay Ahead of the Trends:** Discover the latest tech trends and how they impact the world and your future.
- **Hands-On Experiences:** Participate in interactive workshops and demonstrations that make technology come alive.

BYOC CAMPS AND CLUBS

YOUTH TECH

Summit 2026

OUR PURPOSE

THE YOUTH TECH SUMMIT BUILDS ON THE MISSION OF BYOC CAMPS AND CLUBS TO ENCOURAGE AND EXPAND THE PIPELINE OF UNDERSERVED YOUTH INTO TECHNOLOGY CAREERS. THESE WORKSHOPS PROVIDE THE TOOLS NEEDED TO SUCCEED IN A HIGH-DEMAND INDUSTRY WITH OPPORTUNITIES FOR ADVANCEMENT. THE TECH INDUSTRY IS A RAPIDLY GROWING FIELD.

**SPEAKERS FROM
TECH INDUSTRY**

**WORKSHOPS ON CURRENT
TECHNOLOGIES**

**NETWORK WITH TECH
PROFESSIONALS**

**HANDS ON
WORKSHOPS**

**DISCUSSIONS
ABOUT EDUCATION**

Overall employment in computer and information technology is projected to grow much faster than the average for all occupations between 2023 and 2033.

An average of 356,700 job openings are projected each year in these occupations.

The median annual wage for these occupations was \$104,420 in May 2023, significantly higher than the median annual wage for all occupations.

40% of Black students who enter STEM majors switch out before completing their degrees, highlighting a need for better support and mentorship

Only 20% of U.S. high school graduates are prepared for college-level coursework in STEM majors

This summit aims to address these issues by connecting youth and families with the resources, mentorship, and tools needed to pursue a successful tech career.

By fostering a stronger understanding of tech careers and education paths, we can help more young people, particularly from underrepresented communities, stay on track to succeed in tech.

GENERAL SESSIONS & WORKSHOPS

**CODING, AI, CRYPTO, IOT, ROBOTICS, DATA

AWARDS

Categories: Student Achievement Award, Community Impact Awards, and BYOC Recognition Awards

At the end of **DAY 2**, the excitement continues at our high-vibe after-party, where we:

- Honor standout youth,
- Celebrate BYOC champions, and
- Spotlight exceptional tech achievements with our signature Margie Day Tech Impact Award.

Enjoy lite bites, music, photo moments, and community as we toast the youth, the innovators, creators, and leaders shaping the future.

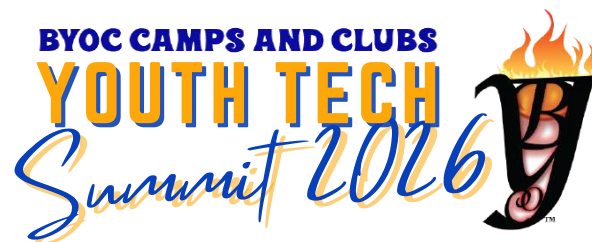

Conference attendees: FREE
Award Ceremony: \$50

It's a lively, joy-filled finale to a day of learning, connection, and inspiration—an experience that brings everyone together and keeps the momentum going.

Award Nominations Open - Aug 3, 2026 to Sept 4, 2026

WHY SPONSOR?

- Align with Innovation and Education
- Build Strong Community Connections
- Collaborate with Key Partners
- Maximize Your Brand Exposure
- Showcase Your Commitment to Workforce Development

VALUE OF THE SUMMIT

WORKFORCE DEVELOPMENT BUILDING FUTURE-READY SKILLS

Equips technical expertise and essential soft skills, such as problem-solving and collaboration, to thrive in the competitive IT industry.

INSPIRE THE NEXT GENERATION OF TECHNOLOGISTS & CREATE COMMUNITY IMPACT

Provide a platform for youth to learn about the diverse career opportunities available in tech.

DISCOVER EDUCATION PATHWAYS

Youth discover paths into the tech industry through a variety of options, including afterschool programs, internships, certifications, and degree programs

EXPLORE DIVERSE TECH CAREERS

Exposure to diverse roles within the tech industry—from coding and software dev to cybersecurity and AI helps understand the wide range of career opportunities.

EMPOWER FAMILY'S FUTURE

Equip families with the knowledge and resources to navigate tech education and career planning to stive for long term growth within the industry.
